Powers Fasteners has been a worldwide pioneer in the fastening industry since 1921, and today is the leading supplier of concrete and masonry anchors and fastening systems in North America. Powers has extensive engineering and manufacturing expertise in several product groups, including mechanical anchors, adhesive anchoring systems and powered forced-entry systems such as powder-actuated and gas fastening systems.

Hilti products are often specified but can be easily substituted by an equivalent Powers product. Use the chart below to help you swap across a Hilti spec.

	
 <p>KWIK-BOLT TZ (KB-TZ)</p>	 <p>POWER-STUD+ SD2 / POWER-STUD+ SD1</p>
